Ref: NRO Tracking Number F-2025-00173(APPEAL)

Dear Mr. Nguyen:

This is in response to your email dated 5 August 2025 and received by the National Reconnaissance Office (NRO) on 6 August 2025, in which you are appealing NRO's response to case F-2025-00173. NRO's determination that **"a thorough search of our files and databases located one record that is responsive to your request"** and that **"One record is being released to you in full"** in response to your 30 July 2025 request under the Freedom of Information Act (FOIA) for **"I request the original, first generation electronic copy of the final NROL-35 mission logo, which I presume is stored in a vector graphic format."**

We have accepted your appeal and it is currently being processed. We will notify you when the NRO Appellate Authority makes a determination regarding your appeal. In the event that we are unable to provide a determination within the 20 working days stipulated by the FOIA, you have the right to consider this a denial of your appeal, and may seek a judicial review in a United States District Court in accordance with 5 U.S.C. § 552, as amended; or you may pursue mediation through the Office of Government Information Services (OGIS). Using OGIS services does not affect your right to pursue litigation. You may contact OGIS in any of the following ways:

You will then have the right to contest any adverse determination after you receive a final Appellate Authority determination from us. Unless we hear otherwise from you, we will assume that you agree and will continue processing your FOIA appeal on this basis.

For reference purposes, your appeal will be processed under the same case number as the initial request F-2025-00173. If you have any questions, please call the Requester Service Center at (703) 745-0600 and reference this case number.
